Dear Sir or Madam!

Hereby, NCG would like to state that CEVRİM ENGINEERING Ltd. Company has successfully worked in Pulkovo-1 Airport Terminal Project as Mechanical subcontractor on the name of EM Engineering LLP. We have found the company and individuals within the company are open for discussion, willing to accept both criticisms and acknowledgement of work well done, and we have found them diligent and genuinely interested in the project.

We have no hesitation in recommending CEVRİM ENGINEERING LTD. (or EM ENGINEERING LLP) for similar major international projects in the future and their inclusion on future tender lists.

For avoidance of doubts NCG shall not be held liable for any information contained herein.

Best regards,

Construction Director

A.Shulepov
